

V Balamurugan

Aspiring Data Engineer | B.Tech CSE (Data Science – AI)

Perambur, Chennai | 9080217416 | bm20061027@gmail.com | [linkedin.com/in/bala-murugan-a41007374](https://www.linkedin.com/in/bala-murugan-a41007374) | github.com/balamurugangethub

SUMMARY

Third-year CSE (Data Science – AI) student with strong algorithmic thinking and SQL/Python fundamentals, hands-on experience with IBM Cloud and Cognos Analytics, and a deployed web app. Seeking a data engineering internship to build reliable data pipelines and grow into a full-time data engineer.

EDUCATION

B.Tech, Computer Science & Engineering (Data Science – AI) 2024 – 2028
Dr. M.G.R. Educational and Research Institute, Maduravoyal, Chennai | CGPA: 8.17 (after Semester 3)

- Industry-integrated programme with IBM: a dedicated IBM subject every semester, taught by IBM trainers, with hands-on labs and a project each semester.
- Worked with IBM Cloud and IBM Cognos Analytics in labs and projects.

PROJECTS

Sakhi Saathi – Voice-first web app for rural women 2026
JavaScript, Node.js, Gemini API, PWA, Google Cloud Run | github.com/balamurugangethub/-sakhi-saathi

- Built a voice-first, offline-capable app that helps women access government services and welfare schemes in Hindi, Tamil, Telugu and English.
- Integrated the Gemini API for answers, routing, translation and speech; kept user profile data on-device for privacy.
- Deployed on Google Cloud Run; wrote 33 automated tests covering security, content, eligibility rules and accessibility.

SKILLS

Strengths	Algorithms and problem-solving, Data Structures & Algorithms (DSA)
Languages (working knowledge)	Python, Java, C, C++, SQL
Building	AI-assisted app development, deploying applications, VS Code and developer tooling
Data & IBM	IBM Cloud, IBM Cognos Analytics, IBM Watson
Design & Office	Canva, Photoshop, DaVinci Resolve, Microsoft Excel, PowerPoint, Word
Spoken	English (fluent), Tamil (native), Spanish (basic)

CERTIFICATIONS

Technical Support Fundamentals – Google IT Support Professional Certificate, Coursera 2026
